Dear New Patient

From all of us at the Market Surgery, we would like to welcome you to our practice. We have been providing Primary Healthcare in Wath-Up-on-Dearne for in excess of 30 years. Our team of clerical and clinical staff are dedicated to providing the upmost levels of medical care to support all of our patients to lead happy and healthy lives.

Within this pack, you will find everything that you need to register with us, as well as information about our practice, how we operate, and how to access our services. Included within your pack you will find the following forms that need to be returned to complete your registration:

- Registration Form GMS1
- New Patient Questionnaire
- Enhanced Summary Care Record registration form (optional)

You will also find the following for your information

- Practice Information Sheet
- How we use your information leaflet
- Information on the NHS App and Rotherham Health App

Proof of Identity and Address

To complete your registration, we require evidence of your Proof of Identity and Proof of Address. All patients must live within our practice boundary to be able to register with us. A map of our practice boundary can be found on our website, or in our reception area. If you fall outside of our practice boundary, then you will need to find a local GP to register with. In these circumstances please speak to reception, or visit the NHS website to find a local GP. We accept the following forms of Identification:

Proof of Identity (must be valid and in date)	Proof of Address (within last 3 months)
Passport	Mortgage /Rent documentation
Driving Licence	Utility or council tax Bill (excluding mobile phone)
Birth Certificate	Solicitors letter
Identity Card	

For any further information on registration, or about our practice, then please visit our website www.marketsurgerywath.nhs.uk/ or contact our reception on 01709 870150
