

The new **online tool** you can now use to access Market Surgery for Medical and Admin requests

Anima does not replace the NHS App.

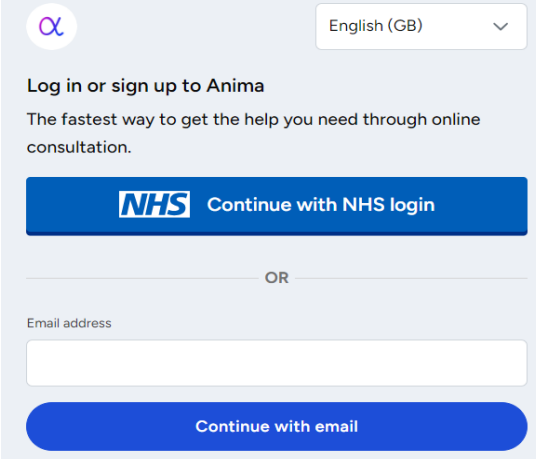

Patient guide

If you have any issues with Anima, please contact them by email at support@animahealth.com

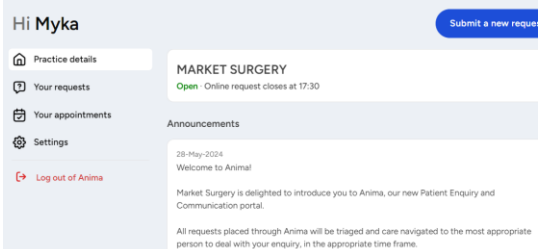

Getting Started

1. Sign up to Anima by going to this link: <https://patients.animahealth.com/signIn>

2. You can use your existing NHS App login to create an account or you can enter your email address.

The sign-in screen features the Anima logo in the top left and a language dropdown menu set to "English (GB)" in the top right. The main heading is "Log in or sign up to Anima" with a sub-heading: "The fastest way to get the help you need through online consultation." Below this is a blue button labeled "Continue with NHS login" with the NHS logo. A horizontal line with "OR" in the center separates this from the email login section, which includes a text input field for "Email address" and a blue button labeled "Continue with email".

3. You will then see a welcome screen

The welcome screen is titled "Hi Myka" and includes a "Submit a new request" button in the top right. A left-hand navigation menu contains: "Practice details", "Your requests", "Your appointments", "Settings", and "Log out of Anima". The main content area shows "MARKET SURGERY" with a status of "Open" and a note "Online request closes at 17:30". Under "Announcements", there is a message dated "28-May-2024" that says "Welcome to Anima!" and provides information about the Patient Enquiry and Communication portal, along with a note that requests will be triaged and care navigated to the most appropriate person.

Submit a new Medical request:

1. Click on the 'Submit a new request' button
2. Click on 'Medical Request'
3. Select who you are submitting the request for.
4. If it is for a child/dependant make sure they have been added to your account.
5. Click 'Begin'

Please select who you are submitting this request for

A dropdown menu with the name 'Myka Steeples' and a downward-pointing chevron icon on the right.

If you would like to submit a request on behalf of your child or other dependant, please make sure they have been added to your account before continuing [Click here to add dependants to your account](#)

Submit a new Medical request:

1. You will then be asked a series of questions.
2. Answer the questions if they apply to you.
3. Click 'Next' and continue through the questions
4. At the end, click 'Yes, submit my answers'

Anima is not suitable for emergencies. Are you experiencing any of the following symptoms? Select all that apply. If none, leave blank and continue.

- Signs of a heart attack - pain like a very tight band, heavy weight or squeezing in the centre of your chest or any pain that moves into your jaw or neck
- Signs of a stroke - face drooping on one side, can't hold both arms up, difficulty speaking, or weakness or numbness on one side of your body
- Severe difficulty breathing - gasping, not being able to get words out, choking or lips turning blue
- Seizure (fit) - someone is shaking or jerking because of a fit, or is unconscious (can't be woken up)

Below it is a card titled 'Admin request' with a right-pointing chevron and a description: 'Use this for any admin queries, for example to enquire about test results, fit (sick) notes, etc'. Underneath is a label 'Please select who you are submitting this request for' followed by a dropdown menu showing 'Myka Steeples'. A note below the dropdown states: 'If you would like to submit a request on behalf of your child or other dependant, please make sure they have been added to your account before continuing [Click here to add dependants to your account](#)'. At the bottom are two buttons: 'Back' and 'Begin'.

Submit a new Admin request:

1. Choose the admin request you want help with.
2. Complete the information asked for.
3. Remember Anima is not for urgent requests.

On this page you can add dependants who aren't able to use Anima themselves e.g. children under 16.

When a dependant has been added and verified, you will be able to submit Anima requests on their behalf. Any emails or messages received will go to the account owner's registered contact details.

If we are unable to verify their details, **you will have to wait for your practice to manually verify them before submitting requests on their behalf.**

No dependants added
